ERIKA ENOMOTO

REGISTERED DIETITIAN

Erika Enomoto has been a Registered Dietitian since 2010. Born and raised in Alaska, sports played an integral part in Erika's life. She went on to play Division II College Volleyball at Central Washington University graduating in 2008 and went on to complete her Dietetic Internship in Alaska in 2010. With over 10 years of clinical experience, working in both the hospital and dialysis settings, Erika has gained tremendous experience both professionally and personally. Living in Hawai'i with her husband and daughter has fueled her passion for empowering families to enjoy food and exercise without stress. In their free time, she and her family love to play at the beach and surf. She is excited and honored for the opportunity to work together with student athletes in building a positive relationship with nutrition and performance.

Erika will focus on serving student-athletes in the following areas:

Specialties:

- Building a positive relationship with nutrition and performance
